

North Langley Softball Safety and Sanitation Appendix

North Langley Softball will be adhering to all of the Softball BC recommendations but will also be adding the following:

- All Dug-Outs will be closed.
- All bleachers will be closed.
- Batting Cages will stay closed.
- Every team will be given a “Sanitization Station” bucket to be maintained by the team *Sanitization Champion* who will bring it and manage it at every team event. Each bucket will be clearly marked and contain hand sanitizer, equipment sanitizer, garbage bags, as well as masks and gloves for use by the team In-Charge Person (Injury Attendant).
- Every team will be required to have a garbage bag available and visible for the disposal of gloves, masks, tissues, and wipes. This will be thrown in a TOL garbage bin on the way out of the park.
- Diamonds will not be used more than once a day by North Langley Softball groups.
 - *Exception:* Saturdays and Sundays, where sufficient time between groups will be given in order to clear the diamond and sanitize.
 - *Exception:* LTP & U8 Skills Sessions, where sufficient time between groups will be given in order to clear the diamond and sanitize. Skills sessions will have a max of 25 people in attendance.
